

## **ALTERNATIVE STUDENT LOAN INFORMATION**

We have listed a variety of private lenders who offer loans to help fill in the gaps. Rensselaer will certify any lender you choose. Students are not required to use any of the lenders on our list and will suffer no penalty for choosing a lender that is not. These loans can be used alone or in conjunction with the Federal Parent Loan for Undergraduate Students (PLUS). The total of a student's financial aid (including all educational loans borrowed by the student or on the student's behalf) cannot exceed the cost of attendance. You can view each lender's information by connecting directly to their websites, or you may contact each lender by phone.

### **How to Apply:**

**If you will be applying for any of these loans, we strongly recommend beginning the process after May 1, 2008. The Financial Aid Office will begin certifying these loans over the summer.**
