

## INTERNATIONAL STUDENT FINANCIAL STATEMENT (International Applicants only)

All international applicants must submit documentation reflecting liquid funds to cover the fees, living expenses, and tuition costs for the first two years of study. Applicants must also demonstrate their ability to cover future expenses – four (4) full years of study for freshmen and three (3) full years for transfers. In compliance with U.S. immigration regulations, Rensselaer cannot issue immigration documents until academic admission requirements have been met, the International Student Financial Statement (ISFS), and all additional financial documentation are submitted.

Financial assistance is not available for undergraduate international students. All non-U.S. citizens/permanent residents must be prepared to assume the full cost of attendance for the duration of their studies.
