Re: [Name]
Program of Study: PH.D. in Engineering
Duration of Scholarship: 4 years and renewable

Dear Sir/Madam,

This is to certify that the above named student has been awarded a full scholarship from the Royal Thai Government. The scholarship covers all educational expenses including tuition and fees (with the exception of transportation fees), books and other necessary supplies, living stipends and health insurance. The Office of Educational Affairs will administer all financial arrangements, provided that all correspondences bear the student’s full name. The amount of fund is adjustable as required by the university.

If you have any queries regarding the scholarship, please do not hesitate to contact us. Thank you for your assistance rendered to the student.

Sincerely yours,

[Signature]

[Office of the Undersecretary]
Ministry of Education

Please note:

- The student has signed a contract with the government to return to Thailand and work for the government at least double length of study period overseas. Therefore, if admitted, we request that J-1 visa (Form DS-2019) be issued to the student.
- To guarantee payment, full details of all items charged to the student’s account must be provided.
- If the student is awarded assistantship from the university in terms of tuition allowance, the Royal Thai Government will pay the remaining tuition and fees.
- This statement is provided for the Royal Thai Government scholarship students only and is not valid without seal.
